Wedding Planning

Full Planning

RM11,900

This is for those who have no idea about weddings and are uncertain about the wedding direction.

3 Stages of Planning

- Concept Styling
- Planning
- Coordination

Stage I: Experiential Concept Styling

Every wedding deserve a
concept & meaning.

3 Stages Planning

What we did...

- A special interview and questionnaire to understand you more
- Set the whole wedding theme based on your love story
- Cover five senses concept planning design
- Wedding Identity Concept Guidebook to reflect the couple's love story, personality, and values
- Fragrance Experience - Customize your wedding scent based on your wedding theme
- E-invitation card
- Pre-wedding love story interview video

What we did...

- Access to RT Wedding planning system
- General advice & consultation to understand your dream wedding
- Four-stage planning process and 105-item count-down checklist keep everything on track for your wedding day
- Venue sourcing & advice based on your guest profile
- Access to RT Wedding planning system to let you track your wedding progress
- Budget management to plan your wedding within your budget.
- Vendors recommendation & management (3-5 vendors per category)
- Floor plan measurement and venue inspection (VESH approach)
- Beverage & alcohol calculation formula
- Payment management
- Set up online RSVP for wedding day
- Hotel rooming list management

Stage 2: Wedding Planning

Our wedding planning process is led by a **TOUCH certified planner** with 9 years of expertise in the industry.

Stage 3:

Wedding Coordination

We prioritize attention to detail and the level of service we provide, that's why we **have five coordinators dedicated to taking care of all the details.**

What we did...

- Five levels of coordination (program, floor, bride, banquet & reception) and 128 inspection points to ensure that your special day runs smoothly and seamlessly
- Vendors meetings & coordination
- Vendors schedules and time management
- Wedding timeline planning
- Wedding schedule development
- Guest table arrangement App (sending QR codes to all guests)
- Rehearsal day coordination
- Wedding day event management (up to 10 hours)
- Post event payment management
- Up to 1 months of service (2-3 meetings)

Wedding Coordination

RM 5,500

This is for those who have already planned their wedding and only need assistance with creating an itinerary and coordinating the wedding day.

I Stage of Coordination

- Coordination

Additional

Morning coordination
(Morning Tea/ Church/ ROM ceremony)
RM 4,000

Note:

1. The couple needs to prepare crew meals for the coordinators and staff members of the vendors.
2. An outstation fee will be applicable for all areas except JB.

A Beautiful Wedding

is not about how much you spend,
it is more about how much you enjoy it.

The more important thing is how much
you can connect with all your guests.
We are going through the three stages
of wedding planning to make your
wedding meaningful.

Join Us

Join our community and let's create
meaningful memories together! As a
member, you'll have the opportunity to
purchase our online wedding planning
guidelines which will provide you with
all the tools you need to plan your
dream wedding.

THANK YOU

We believe that
life is not about
ourselves, but
rather those
whose lives we
"touch".
